Design

Enhance the the physical and visual elements of downtown and neighborhoods while capitalizing on the unique assets that set the community apart.

Promotion

Position the downtown as the center of the community and hub of economic activity, while creating a positive image that showcases our community's unique characteristics.

Economic Vitality

Take a proactive, collaborative approach to building and growing a diverse economic base through smart new investment, cultivating a robust ecosystem for small businesses, and focusing on the unique assets of our community,

Organization

Create a strong foundation for a sustainable revitalization effort, including cultivating partnerships, community involvement, and resources for the district.
